WAT? QUOI? WHAT?

Interlitratur is an intercultural, literary festival in Brussels, Antwerp & Mechelen from Wednesday 19 to Saturday 22 February 2020. The program consists of activities from numerous associations, organizations and individual artists or citizens. Interlitratur brings people together through their own culture-specific literature. The events are located at the crossroads of international literature, migration to Belgium. Interlitratur offers opportunities to perform and explore and build bridges between communities.

Theme 2020: NEW BEGINNINGS

NEW BEGINNINGS are incarnated in the circle of life itself. Birth is our first NEW BEGINNING. Each spring we witness a NEW BEGINNING, the awakening of nature. Each morning gives us the chance for a NEW BEGINNING, to see our life in a new light. Every decision human beings take, in a personal, cultural or political sphere, leads to NEW BEGINNINGS.

The festival from Brussels is coming to Antwerp en Mechelen

Thanks to the succes of Interlitratur Brussels, the festival is coming to Antwerp and Mechelen this year. In that way we want to bring people together through culture-specific literature all over the country. We want to stimulate the positive exchange and build bridges between the three cities.
